play with me making everyday sounds

card **10**

join in my soundmaking with everyday objects

- for instance, if I'm banging a pot or pan, sit next to me and bang one too!
- let me feel what is going on
- sometimes we can make a lot of noise together, playing at the same time
- sometimes you can help me to learn to take turns by waiting until I've finished my go before you start
- you could copy what I do, or make different sounds for me to listen to
- I'll just have fun being with you and joining in
