make simple, regular patterns on soundmakers and instruments for me to listen to

- make the same simple tapping pattern on different instruments (drum, tambourine …)
- use your fingers, then a stick – don't forget to show me what you are doing!
- tap the tambourine gently on my hands
- scratch your nails to and fro on the drum
- make little tunes that go up a few notes on the keyboard …
- and now down again – let me feel your fingers on the keys as they move
