

encourage me to  
copy what you do  
on instruments and  
other soundmakers

help me understand what it's like to be you by encouraging me to copy you

- in a quiet moment, put a soundmaker on my lap and make a sound on it that I have made before
- give me lots of time to respond
- once I've got the hang of it, play another soundmaker the same as mine, so we don't have to share
- then, see if I will copy the same pattern made on a different kind of soundmaker
- swap instruments!
- give me plenty of time
