

sing short, everyday  
phrases to me

card  
25

teach me the 'building blocks' of music: the short phrases that make up songs, ring tones, jingles, etc

- listen to the 'communication' songs on the website, and try some out ...
- you could start with 'hello!' – repeat it several times, followed by my name
- then try 'goodbye'
- next show me how to sing 'yes please' and 'no thank you'
- try learning the phrases that you can use for people's names
- when you want me to listen, remember to hold my hands or sit me on your knee in place of eye contact
