

make me a
doorbell game

card
31

show me how electronically generated sounds like doorbells can be used to make music

- show me how different doorbells can make similar (or different) patterns of notes
- help me link the patterns together to make short pieces of music
- encourage me to sing the 'doorbell music'
- show me how to play the same patterns on a recorder
- show me how to play the same patterns on the keyboard
- make recordings of me in action!
