

# make up 'pot pourri' songs with me

card

## make up simple pieces with me, made up of different phrases (‘pot pourri’ songs)

- make rhythms that are *different*: for example, I go ‘bang, bang, bang’ and you go ‘ba, ba, ba, ba, bang’
- now hook these rhythms together to make short, simple pieces of music
- play games where you ask a musical question (such as ‘how are you?’) and I answer (for example ‘happy’)
- swap over, so I ask the questions and you provide the answers
- make up new phrases without words and link them together
- take it in turns to take the lead and to provide the ending (perhaps by slowing down)
