

join bits of pieces
together to make
music with me

play 'pot pourri' songs on the keyboard and other instruments

- remind me how to play some of the short bursts of melody that I know, on the keyboard
- show me how to link two different phrases together
- encourage me to answer one of your phrases with one of my own
- now make up longer pieces made up of little phrases that we take turns to play
- play the same game on the ocarina or recorder (have an instrument each)
- play the same game with each person having a different instrument
