sing me lots of different songs with simple structures that I can understand

card 37

help me to understand how music works by singing me whole songs with simple structures that I can follow

- start with children's songs, with actions to help make the structure clear, such as 'The wheels on the bus'
- try folk songs and working songs from your culture, like 'What shall we do with the drunken sailor?'
- sing pop songs (which often have simple structures) like 'We will rock you' and 'Hallelujah'
- try classical melodies from your culture: for example, in the West, 'Ode to joy' and 'The hallelujah chorus'
- sing some of the songs from the website – start with those that have actions like 'All join in!'
- gradually sing longer and more complicated songs
