

introduce me to music
where melodies have
special meanings

help me to understand that music can have special meanings

- play me music that tells a story, like 'Peter and the wolf' and 'The sorcerer's apprentice'
- get a musician friend to play the important themes: talk about them, sing them, dance to them!
- play me music that is meant to sound things like 'Honky tonk train blues' of 'The flight of the bumblebee'
- play me music that describes things in a more abstract way, like 'Vltava' (depicts a river from source to sea)
- play me music that from particular TV programmes or films, and explain the association
- play me music that has particular cultural or religious connotations, and talk to me about them
