let me listen to the world of sound outside

card 4

give me plenty of time to listen to all the sounds that are around me

- birds, dogs, maybe animals on a farm …
- the rain and the wind
- cars, trains and bicycles
- tell me what things are, but remember, I can't concentrate on your voice and something else at the same time
- let me feel things wherever possible
- record the sounds so that I can experience them again later
